## Moorsbus is driven by its passengers.

You tell us what services you'd like and our volunteers try to do the rest. The main thing that holds us back is money.

Fares can never meet the full cost of a rural service and we get no financial support from North Yorkshire Council or the National Park Authority. So we rely on small donations from parish and town councils, from other organisations, and from donations from passengers and well-wishers.

You can buy a 'Donate Ticket' on the bus, or see our website for other ways to help keep Moorsbus on the road.

# DAYS OUT

## FROM GUIBOROUGH

## with Moorsbus

**Saturdays, Sundays & Bank Holidays  
from 1st July to 28th August 2023 inc.**

Moorsbus is a network of friendly, wheelchair accessible, public bus services to and through the North York Moors designed and operated by a not-for-profit Community Interest Company.

We want to make it possible for people to enjoy this area without the need for a car — this will reduce the carbon footprint, give residents and visitors a more healthy lifestyle, improve our environment and ensure greater social equity.

All-day Moors Rover tickets are £9.80 (£2.50 child; £15 family). Single fares start at £1.

Maximum fare for a single journey £2 (where the service number changes, or you change bus, a new fare has to be paid).

English National Concessionary Passes accepted. Contactless payment usually available.

Some other buses sell and accept Moors Rover tickets. Well-behaved dogs travel free.

In towns, Moorsbuses use existing bus stops. In country areas, give a clear signal to the driver to get on, and tell the driver in advance where you'd like to get off.

If you need more copies of this leaflet, download and print them from [www.moorsbus.org](http://www.moorsbus.org) or to offer or get more help, email [friendsofmoorsbus@outlook.com](mailto:friendsofmoorsbus@outlook.com) or ring us on 01751 477216.

Each **single** journey costs £2, but where the route number changes, or you need to get another bus, a further £2 single fare is payable.
