

Title: North Dale and Ana Cross

Author: Baz Askew

Date: 2016

The following are from Baz Askew's recent Rosedale rambles ...

Ana Cross - now's the time to visit whilst the moor is 'blanketed' with heather.

Jobs Well (Chalybeate) - Situated at the top of North Dale in Rosedale. At present it is being renovated by David Ross Foundation, for some artwork.

Bit of a building site, but a pleasant walk along the valley bottom before climbing up onto Northdale Rigg. Lovely views down the valley, returning via Heygate Bank back to Rosedale Abbey.
