About Moorsbus

Moorsbus is a network of friendly, wheelchair-accessible, public bus services to and through the North York Moors. It is designed and operated by a not-for-profit Community Interest Company, run entirely by volunteers and led by its passengers.

Using modern, low-emission vehicles with professional drivers from local bus operators, we help both locals and visitors get around the area without needing a car.

We're helping society, the local economy and our environment - now and for future generations.

Tell us what you think

Every year we undertake a survey of our passengers to find out what's right and what's wrong with the service and how we can do things better.

You'll find a survey form to fill in on every bus - it's in the MoorInfo box where you'll also find timetables, details of attractions, and our monthly newsletter 'Moorsbuzz'.

Donate tickets

Many passengers (including those who benefit from 'free' travel through a concessionary pass) like to make an on-bus donation. Our special Donate Tickets can be bought from the driver and contribute to Moorsbus services for the future.

Just tell the driver you'd like to buy a Donate Ticket when you pay your normal fare, or when you show your pass. They're £2, £5 or £10.

Although they aren't valid for travel, they'll create more journeys next year because 100% of the money raised from Donate Tickets goes straight to Moorsbus.

Finally...

We look forward to seeing you on a Moorsbus soon. You'll find a warm welcome awaits you.
